

# Munich Executive Airport

Your gateway to Bavaria

**Experience Munich Executive Airport** at Oberpfaffenhofen – dedicated solely to business aviation, it is fast and flexible, with all the services you demand. Located just 20 km southwest of Munich, right off the main A96 highway, Munich Executive is the perfect gateway to the heart of Bavaria.

**Rheinland Air Service (RAS)** operates the Executive Business Aviation Terminal, offering first-class FBO and handling services. The newly-expanded facilities provide passenger and crew comforts.

**RUAG Business Aviation** maintains a full-scale Service Center at the airport. Enjoy the one-stop convenience of maintenance and painting, plus complete interior and electronics services.

Choose the smart alternative: Munich Executive Airport, with expert services from RAS and RUAG.
